

November: STEWARDSHIP

Stewardship is returning to God the first fruits of your time, talent, and treasure.

During the month of November, we plan to:

- Discuss at home, “Who in your family practices stewardship? What do they do? How do they do this?” Bring ideas back to the classroom for a class discussion.
- Bring in donations for a canned food drive. We are asking kids to bring in their favorite foods to make it more meaningful. Also, we are asking the kids to offer to do something for their parents in return for the canned good donation.
- Take the time to keep our classrooms clean and orderly. A class could even offer their time to clean a particular area in the school to show stewardship.
