

January - Gratitude

- Gratitude - seeing everything as a gift and being thankful
 - Students will do various role-playing activities in their classroom that show gratitude.
-
- Announcements showing our gratitude to people who help us during the day. Custodians, cooks, parents, teachers etc...
 - Writing a thank you letter to someone that did something nice for you over Christmas break. Not a thank you for a material item. For example - Grandma making a nice meal and sharing her house for the family Christmas party.
